Please enter the name of the drink

This is an area that looks like a laboratory.

route to success  
ignore all  
Run straight for the escape door.

There is a human cry for help behind the wall

Use buttons to move walls

YES NO

DEATH

Better protect yourself first

Found a crying little girl with two corpses next to her

Take the little girl away

YES NO

You feel something is getting more and more wrong. Ten minutes later, you actually had the idea of killing the little girl and Cain. It's all this little girl's fault! I want to kill her!
